

O Club Annual Membership Form

Oakbrook's Athletic Booster Club, The O Club, was established to provide support for our athletic department, our athletes, and coaches. Each year, our volunteers work tirelessly to raise additional funds to provide our student athletes with their needed uniforms and equipment. Additionally, the O Club has supported many athletic facility improvements throughout the years. The O Club invites you to show your support with one of the membership opportunities listed below and ask you to encourage our local businesses to support our Knights through one of the sponsorship opportunities.
