

Hello Rising 4th Graders!

Summer vacation is finally here but that doesn't mean we want you to stop learning! This summer, you will be responsible for reading 3 books from the list below, but I would challenge you to read more than 3. You may only choose ONE book from each of the genres. You will keep a reading record and write a summary for each of the 3 books you complete. The summary should include details from the beginning, middle, and end. You should also include details about the characters and setting. Your summaries should use correct grammar and punctuation. Have FUN reading!
